PREFACE

I have begun these family records with Johann Fieguth, my wife, Anna Wiebe Jantzen's, great, great grandfather, born in 1707, ancestor of her mother; and her grandfather, Jacob Wiebe, on her father's side. (I was not able to get more ancestors.)

Johann Fieguth receives number I, his son, Anton, number II, his grandson, Gerhard, number III, my wife's grandfather. The Wiebe's are numbered likewise, and also according to the time in which they lived.

I am grateful and thank all that helped me gather names and data.

F. F. Jantzen
